

# A.G.M

The Annual General Meeting of the Laleham Residents Association will take place on Wednesday 17<sup>th</sup> May at The Lucan Pavillion at The Laleham Recreation Ground. The formal meeting will start at 7.30pm and the bar will be open from 7.00pm.

## **Richard Walsh, our Surrey County Councillor, to present the Laleham Traffic Survey**

The Highways Team at Surrey County Council has carried out a traffic survey over the last year and this can now be seen on the LRA website [www.lalehamonthames.com](http://www.lalehamonthames.com). Richard Walsh will present the survey to the meeting and will take questions from the floor.

Our constitution was revised last year and approved at our AGM on 3 June 2016. On submission of the new constitution the Charity Commission asked us to expand our objectives as set out in Clause 2 to state how we plan to achieve our objectives. An updated copy of the constitution can also be seen on our website which we hope will be approved at the meeting.

In addition to the normal reports we hope to update you on discussions we have been having with the Laleham Trustees. We are inviting our MP Kwasi Kwarteng and our Borough Councillors to join us.

All are welcome but only paid up members can vote. It will be possible to join the LRA or renew subscriptions on the evening. Family membership is £5. Individual membership is £3.

**Laleham Residents Assoc - Registered Charity Number 262220**
